SYLLABUS FOR

“RUSSIAN AS A FOREIGN LANGUAGE”

Field of study: 13.04.02 "Electric Power and Electrical Engineering"

Program name: "Electric Generation and Transportation"

Level of study: Master

Year of admission: 2019

Semester, year: semester – 1, 2; 2019, 2020.

ECTS: 6, 3/3

Total Hours: 216

Contact Hours: 64

- **Lectures:** 32
- **Labs:** 0
- **Practical experience:** 32

Assessment: Credit test

Type of intermediate certification: no

Department: Department for Electric Power and Electrical Engineering

Head of department: of Electric Power and Electrical

Engineering Department

Instructor:

Ivaschutenko A.S.

Rostovceva V. M.

RUSSIAN AS A FOREIGN LANGUAGE

Course Overview

Course Objectives	Development of a speciality-based communicative competence of students speaking Russian as a foreign language for professional, research, and academic purposes
